ARIZONA MERIT TESTING

Spring is just around the corner, and Manzanita students will soon have their own opportunity to shine—on the AzMerit testing. We're so proud of the growth and accomplishments we've seen throughout the year!

The third year of the online AzMerit test, for 3rd through 5th grades, will begin on March 28 for some classes at Manzanita School. Third and fifth grade will test for five days, and fourth grade will have an additional day of testing for AIMS science. Please look for specific dates from your child's teacher, or check out our Facebook page. We'll be adding a complete list of testing dates and times to our page.

Keeping those days clear of appointments or trips will allow your child to take the test in the best environment, with his/her class. As always, please ensure that your child is well rested, eats a healthy dinner and breakfast, and brings a healthy snack to school. Thank you!
