Some Words from Mr. Taylor

I want to thank everyone for another great year at Manzanita Elementary School. Teachers, parents, and community members worked so very hard to make our school a great success. Thank you!

A final word to our Manzanita students: Thank you for all your hard work throughout the school year. I am so honored to be the principal; you make me proud to be a Manzanita Dragon. Best wishes to our graduating fifth graders, whom we will miss greatly. Please come back and visit. Remember that you will always be a Dragon. I hope everyone has a safe and happy summer break.
